

park. Diana said that there is money in the budget that could be used for this as long as we're conservative. She would look into it. Helen reported that Easter is April 24, 2011 so the Easter Egg Hunt will be held on April 16, 2011 (Saturday) this year. Darnell mentioned that a couple of trail walkers had mentioned that they would really like to see Frisbee Golf in the park. The Board agrees you need a large area to have this. Diana asked what 2011 events will the Parks Board be doing. Ronnie commented that the Child Safety Fair was such a successful event that it should be done again for the upcoming year as well. The Ice Cream Social and Kite Flying contest could be combined. Pat said that she had many positive comments on the Child Safety Fair. The Board also decided to do the Christmas Tree Lighting again on a Monday night so there are no conflicts with the Library scheduled events – as it worked out well on the previous year. Diana also mentioned that it was fine for the Park Maintenance guys to do all of the Decorating – as it is not a problem. The Board commented what a wonderful job they did (2010) and really appreciated all of the hard work. The Board decided that November 28, 2011 will be the date for the Christmas Tree Lighting. Diana addressed the few complaints that came in about the “wording” on the banners. She also let the Board know that there is \$20,000 in the upcoming budget. Joe said that the tentative date for the Child Safety Fair would be on October 8, 2011 (second Saturday).
