***** Submission of documents is the responsibility of the applicant, failure to submit all required documents in a timely manner will result in a delay of review or denial (all paperwork must be submitted at the same time) Please note that incomplete submissions are subject to additional fees for repeated review.**

***** MEP's applications will not be approved or issued without building permit being approved / issued.**

***** No inspections will be done without the approval / issue of the building permit**

***** Starting a job before permits are approved and issued for will result in double fees**

NO EXCEPTIONS

***** Properties must be platted and have an address to obtain a primary structure permit. If you are unsure about your property being platted, please consult with staff. Primary structure permits will not be issued without a recorded plat per *Chapter 8, subdivisions, section 3.2 of the City of Santa Fe Code of Ordinances.***

Please plan accordingly.

*Thank you,
City of Santa Fe Plan Review Dept.*
